Dear

Did you know that you can enjoy a well-deserved, great value getaway with The Fire Fighters Charity?

As winter draws in, and the weather gets even more miserable, it can leave us feeling a little low. It is a time for wrapping up warm and trying to keep those notorious winter colds at bay! It is just the time when we could all do with something to look forward to, and here at The Fire Fighters Charity we think we have just the thing!

Why not book a holiday break at one of our three fantastic centres, and make the most of all the great local attractions and stunning surrounding areas in each of our locations?

Historic Harcombe House in Devon and newly renovated Marine Court in West Sussex are ideally located to explore the South Coast, whilst welcoming Jubilee House makes the perfect base to discover the stunning Lake District and all it has to offer. Take a look at the enclosed brochure for a little inspiration on our holiday breaks this winter.

With a week's self-catering break **from as little as £147*** our holidays won't break the bank either. These offers are available exclusively to members of the fire community, but at such great prices they won't last long, so don't delay, book today!

If you are wondering why we offer holiday breaks at our centres, it is quite simply to raise funds for the Charity. There are certain times of the year when the occupancy at our centres is naturally lower, and by offering these vacancies as rental accommodation, we are able to generate much needed income. In fact, by enjoying one of the Charity's holiday breaks, you are helping us to continue providing our valued services to serving and retired members of the fire service and their dependants.

We very much hope to welcome you on one of our holiday breaks very soon!

Yours sincerely,

Clare Hannaford
Centre Manager, Harcombe House
